## Testimonials

"Hi guys, 'Life is Jelly' is really, really, really, really good. It reminds me of Jack Johnson meets Ed Sheeran with a little bit more on the Jack Johnson side. Really catchy! I can't wait to hear the rest (of the album)... Just checking in to see if you are soon sending your new demos for us to hear? Where are you on (recording) your original songs? ... How are things at radio and with live performances?"

"Hey David – how would you feel about our using the song in a TV show? I'm producing a documentary on the Giants 2014 World Series team that's premiering on CSN. Think a section of 'Let Me Love You' would be really nice when the players are talking about their love for SF and the fans' love for them..."

– **David**, *Comcast SportsNet (CSN)*

## Testimonials (Continued)

"My husband and I were blessed to have Call it Joy provide such sweet memories at our wedding reception! They were perfect for the occasion; classic tunes, done island style made for a fun night! They were so kind to our guests and even took some special requests. They made our night when they played Iz's, 'Somewhere over the Rainbow/ What a Wonderful World.' Let just say, there were tears of happiness from everyone!"

LIVE MUSIC @ MERRIMAN'S, Kauai

"Dear David - Words can't describe how special you have made our wedding day, but I wanted to thank you again for the magic you brought to our ceremony. Thank you for learning the songs that mean so much to us, for waking up at 5:30am to make a sunrise wedding, and for gracing us with your unbelievable talent. You made our day so perfect. I can only hope and pray that life repays you with just as much happiness as you have given us. Forever grateful..."

LIVE MUSIC @ Shipwrecks Beach Wedding

"My name is Tricia and I was married on Kauai in July of 2016. As part of our special day my wedding party went out dancing in the evening. We came across Duke's restaurant and were drawn in by the sounds of my most favorite Brotha Iz song being played live by Call it Joy. They sounded simply amazing. We sat down to enjoy a string of fantastic trendy love songs (both oldies and new ones) performed live with a ukulele and guitar. The instruments blended so perfectly with David's Jack Johnson like voice, making each song dance ready! The band dedicated a song to us Missourians in the crowd by playing Chicken Fried, Hawaiian-style. If you are looking for a unique Hawaiian sound for any occasion the two have a great magical melody together. Ending our wedding day getting to hear this duo was truly the icing on the cake. Mahalo Call it Joy for adding more memories to our already perfect day!"
